

Introducing HALIFAX LED LEVER

The Halifax LED Lever is the perfect blend of functionality and style for your home. This innovative lever features an integrated LED light that activates in the dark, equipped with both motion and light sensors to ensure optimal convenience and safety. Whether you're navigating your space during a power outage or simply seeking added security for your guests, the Halifax LED Lever is your reliable solution.

- Designed for effortless installation and available as passage or privacy levers
- ANSI/BHMA Grade 2: High Residential Security/Durability/Finish

WEISER®

Motion Sensor
