

WEISER®

Introducing PRESCOTT

Featuring  **SMARTKEY
SECURITY™**

Prescott is the first low profile traditional design and features a traditional arch rosette handleset. This handleset pairs perfectly with existing Weiser electronic deadbolts.

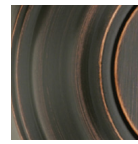

- Features SmartKey® Re-Key Technology with BumpGuard™ Protection
- Features Microban Anti-Microbial technology
- ANSI/BHMA Grade 1 Certified Security & Quality
- Easy Installation with adjustable through bolt
- Lifetime Mechanical and Finish Warranty

Weiser's SmartKey™ Technology provides homeowners with the superior security that is resistant to a variety of common break-in methods.

This technology also allows homeowners to re-key their locks themselves in seconds, rendering lost or un-returned keys useless.

Bacteria can double every 20 minutes on unprotected surfaces. Microban protection works to continuously fight off microbes.
