## TERMS AND CONDITIONS OF SALE

Terms of payment – Net 30 days following date of invoice. Weiser® reserves the right to charge and recover on invoices which are not paid within the above terms, a service charge of 1-1/2% a month for each month or fraction thereof during which the invoice remains unpaid, said service charge, however, not to exceed the highest applicable legal rate of interest. All orders, whether solicited or written by our sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of Sale until actually accepted by us at our home office. We reserve the right to refuse any order as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of an order is expressly made conditional upon your assent to these Terms and Conditions of Sale. We object to the inclusion of any different or additional terms or conditions, even if the same are included in your order, a contract of sale will result upon the Terms and Conditions of Sale stated herein only.

### PRICES

All prices are subject to change without notice and are not guaranteed. All taxes, duties or other charges are the responsibility of the customer.

### CLAIMS

Price or shortage claims must be submitted in writing to Spectrum Brands 3001 Deming Way, Middleton WI, 53562 within 30 days from the date of invoice.

### CHANGES OR CANCELLATIONS

The goods purchased hereunder shall be and remain the property of Weiser until the purchase price has been paid in full by the purchaser.

### CHANGES, CANCELLATIONS AND RETURNS

Beyond 2 working days of our acknowledgement date no changes can be made. Additions to an order will be handled as a separate order and must meet applicable minimum order requirements. Order cancellation on regular stock items only, or any portion thereof is allowed only upon prior written consent from Weiser, and the payment of cancellation charges deemed appropriate.

### MINIMUM CHARGE

No order will be invoiced for less than \$100.00 net plus shipping charges except for lock accessory parts.

### MINIMUM ANNUAL SALES VOLUME

The company reserves the right to discontinue direct sales to any customer who does not meet the minimum annual sales volume requirement. The current annual requirement is \$50,000.00. Your annual purchases are determined by accepted, noncancelled, and shipped orders received during each calendar year. Weiser reserves the right to change any or all minimum annual sales volume requirements at any time. Any customer who does not meet the annual sales volume requirements may continue to purchase Weiser products through a Weiser distributor.

### RETURNS

Defective merchandise returned to our distribution centres requires prior written authorization from a Weiser Sales Rep or the Sales Office. A return goods authorization number must accompany the returned shipment. The return authorization must include an itemized listing of the merchandise and an explanation stating the reason for return. There will be a 20% product restocking fee on all returned merchandise.

### FREIGHT

All goods are invoiced FOB to our warehouse. Upon delivery of shipments to the carrier, title to, and the risk of loss or damage in transit for such shipments, passes to our customer.

Weiser's standard policy is to pay freight charges on all orders to a single destination in Canada by carrier and route of our choice. Weiser reserve the right to charge a \$25 handling charge for orders that do not meet the customer's minimum.

### DELIVERY CONDITIONS

Shipping schedules are our best estimates, and cannot be guaranteed. Weiser is not responsible for any direct or consequential loss or damage resulting from an inability or delay in meeting shipping schedules.

### PRODUCT WARRANTY

Warranties cover the original residential user of Weiser Products against defects in material and workmanship as long as the original user occupies the residential premises upon which the Product was originally installed. This warranty DOES NOT COVER abused or misused products or non-commercial products used in commercial applications. Upon return of a defective product to Weiser Corporation, Weiser shall either replace the product or refund the purchase price, at our discretion. If a covered defect occurs, call 1-800-501-9471 in Canada or return it to Weiser, 101-255 Longside Drive, Mississauga, ON L5W 0G1. A finish deterioration occurring from the use of paints, solvents, or other chemicals is not a defect in the finish and is not covered by this warranty. Weiser is not liable for incidental or consequential damages. Some do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

### PATENT INDEMNITY

We agree to defend any suit or proceeding brought against our customer so far as based on claim that our products, or any part thereof, made solely to our specifications and furnished to our customer constitute an infringement of any U.S. patent, if notified promptly in writing and given authority, information and assistance at our expense for the defense of same, and we shall pay all damages and costs awarded therein against our customer. In case our products, or any part thereof, is in such suit held to constitute infringement and their use is enjoined, we will, at our expense and discretion, either procure for our customer the right to continue using the products or replace same with non-infringing products, or modify them so they become noninfringing, or remove such products and refund the purchase price (less depreciation, prorated from the purchase date). The foregoing states our entire liability for patent infringement by our products or any part thereof.

**INTELLECTUAL PROPERTY**

No person or entity may sell, distribute, advertise, market or promote Weiser branded products distributed by Weiser, Spectrum Brands Hardware Home Improvement Division, without prior authorization from Weiser. Customers of Weiser who are authorized to sell Weiser branded products are referred to herein as "Customers."

The Weiser brand and all Weiser trademarks, trade names, product depictions, colors, graphics or logos, whether or not registered or otherwise protected (the "Marks"), remain the sole and exclusive property of Weiser and nothing arising out of the relationship between Weiser and any Customer conveys to Customer any ownership rights in the Marks. Customer may use the Marks and then only in the sale or promotion of authentic Weiser products in compliance with the terms of this policy. The Marks must be used exactly in the form provided and in conformity with all Weiser trademark usage policies or guidelines, including, but not limited to, those relating to shape, color match and imprint quality. Any proposed deviation must be approved in writing by Weiser prior to use. The Marks may not be used in or as part of any Customer domain name on the Internet. Prior to any use of the Marks on goods or services, Customer must submit samples for Weiser's approval.

Additionally, no Customer may use product depictions, graphics, logos or text relating to Weiser products that have not been provided by Weiser in connection with the advertising, promotion or sale of Weiser products without Weiser's prior review and written approval of each such use. The Marks may not be used in or as part of any reseller or other third party (i) domain name or URL on the Internet, (ii) trademark or service mark, or (iii) company or trade name. Any action on the part of a Customer that violates the terms of this policy or otherwise impairs the value of or goodwill associated with the Marks or is otherwise not in conformity with Weiser's standards may result in the suspension or termination of the Customer's authorization or any other remedy permitted by law.

Weiser grants to each of its Customers limited, non-transferable, non-sublicenseable licenses of the patents relating to the Weiser products that the Customer is authorized to sell and of the copyrights in any packaging or other written materials included therewith or related thereto. Said patent and copyright licenses are solely to sell such Weiser products covered by such patents and to which such copyrights relate only to end-users and other Customers in compliance with the terms of this document. The sale of such patented Weiser products and the sale or use of such copyrighted materials by a Customer that violate the terms of this document exceed the scope of the licenses herein granted to the Customer and may constitute patent and/or copyright infringement.

**STANDARDS**

Weiser meets or exceeds the testing requirements specified for each product grade or rating.

- American National Standards Institute (ANSI)
- Builders Hardware Manufacturers Association (BHMA)
- Underwriters Laboratories, Inc. (UL)
- Americans with Disabilities Act (ADA)

**MISCELLANEOUS**

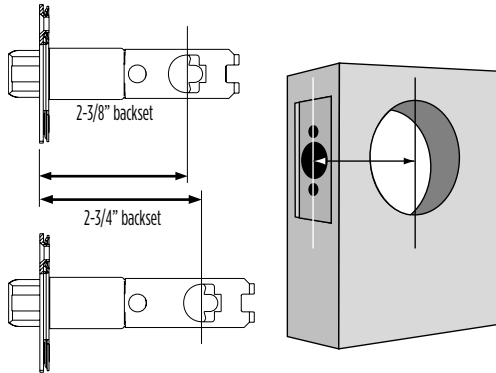

Substitution of non-Weiser components/parts, and any alteration or modification of factory parts, and other lock manufacturer's parts may result in door hardware which does not function properly or will fail and will void all warranties. Orders not specified with keying requirements will be shipped Keyed Differently (KD). Orders with keying requirements of K10 or more must have a "Letter of Release" on file with Weiser stating that Weiser Corporation will not be held liable for cost and expense arising from any loss or damage to property utilizing Weiser products where 10 or more locks have been keyed alike. Contact your Sales Office account representative for a copy of the release form. Weiser reserves the right to revise or modify products, product information, or pricing without notice. Product specifications and pricing reflect available information at the time of printing. Weiser is not responsible for typographic or printing errors.

In the interest of personal security and safety, all locksets and latchset functions that may be used on exterior doors, will be shipped from the factory with deadlocking latches only. Orders received for these functions that indicate spring latches will be converted to deadlocking latches.

In the interest of personal security and safety, all locksets and latchset functions that may be used on exterior doors, will be shipped from the factory with deadlocking latches only. Orders received for these functions that indicate spring latches will be converted to deadlocking latches.

## BACKSET

Backset is the distance from center edge of door to center of the 2-1/8" (54mm) diameter hole, 2-3/8" or 2-3/4" in most cases.

## UNDERWRITERS LABORATORIES LISTED LOCKSETS

To meet Underwriters Laboratories' fire rating requirements UL listed locksets, UL listed latches, and UL listed strikes must be used together.

## AMERICAN WITH DISABILITIES ACT

Please contact Weiser for products that comply with the Americans with Disabilities Act of 1990.

Sample Notes:	Construction Keyed Order - Fire Rated Handleset Requesting 5 Construction Keys

*\*CK keys are ordered in singles, order amount required, default is 5.*

*\*Tenant keys do not need to be requested, default is two per lock*

*\*Keys arrive in individual boxes when ordered as (WS) / Keys arrive in envelopes when ordered as (XKEY)*

# SMARTKEY SECURITY™

## THE ONLY LOCK YOU CAN RE-KEY IN SECONDS!

### What is SmartKey?

SmartKey™ is a technology that allows you to re-key a lock in just seconds while improving security without removing the lock from the door.

### How Does it Work?

SmartKey™ has a patented side locking bar technology that replaces the traditional pin and tumbler design. This new design includes BumpGuard™ for improved security against lock-bumping, an attack technique that can defeat traditional pin and tumbler locks.

## SUPERIOR SECURITY

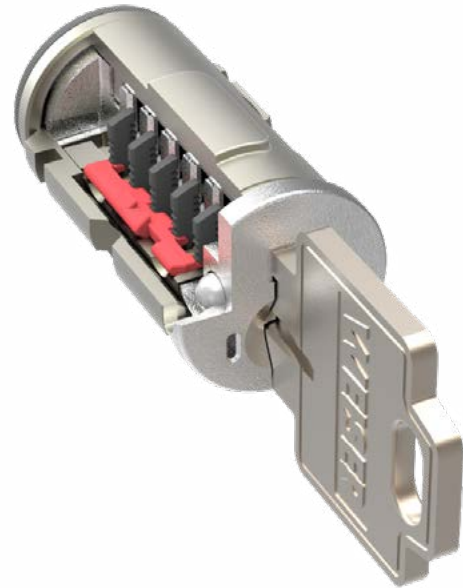

It's why we buy locks in the first place. With SmartKey™ technology from Weiser you are guaranteed to have one of the most secure residential deadbolts on the market.

### ANSI Graded Deadbolts

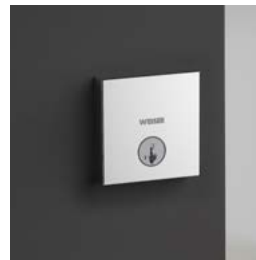

Deadbolt locks are rated by an independent agency (ANSI) on a grade scale; with Grade 3 being good, and Grade 1 being the best.

### How does SmartKey rate?

All of our SmartKey deadbolts are ANSI rated and approved. In our Collections family of products, many of our SmartKey deadbolts are rated as Grade 1 - providing you with the very best residential security on the market and featuring the highest level of pick resistance available.

### Available in All Weiser Keyed Functions

Deadbolts

Handlesets

Levers

Knobs

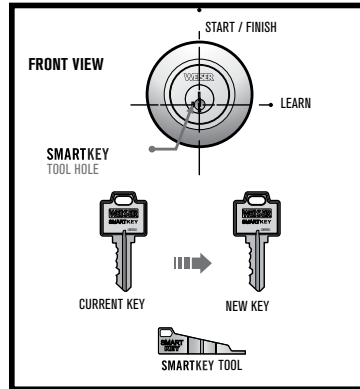

**BEFORE YOU START...**

These steps show you how to change from the current key that operates the lock to a new key you want to operate the lock. For new purchases, the current key is the one that was supplied with the lockset.

Be sure to install the product on the door first, prior to rekeying.

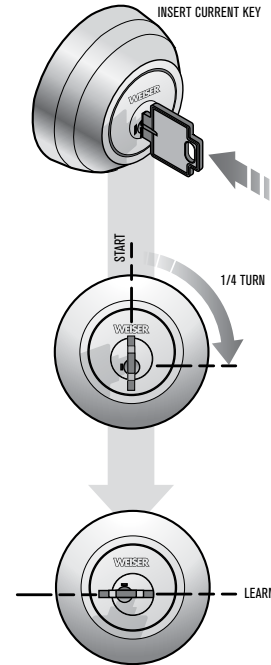

These instructions illustrate a deadbolt for demonstration purposes, but these SmartKey rekeying instructions also apply to keyed knobs, levers, and handlesets.

**DEFINITIONS**

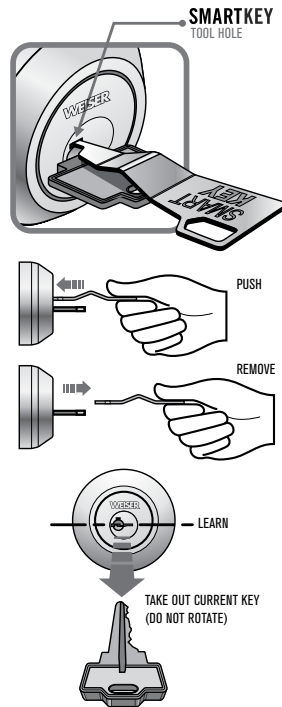

[www.weiserlock.com/smartkey](http://www.weiserlock.com/smartkey)

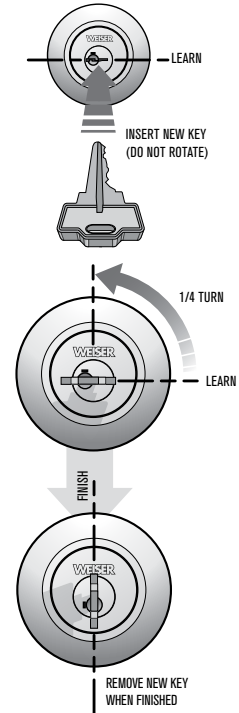

**STEP 1** TURN TO LEARN POSITION

**STEP 2** INSERT AND REMOVE SMART KEY TOOL

**STEP 3** LEARN NEW KEY

1

HALF TURN

**A** Before you begin, rotate lower dial to the right till it stops to align arrow on upper grip with start point **1** on inner dial.

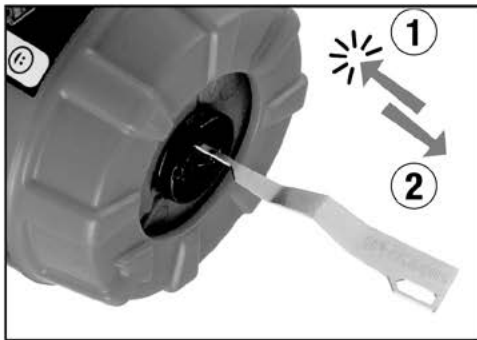

**B** Insert cylinder all the way into the inner dial.

HALF TURN

**C** Rotate lower dial half turn to the left till it stops, where the two arrows meet.

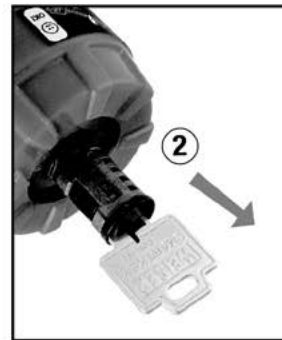

2

**A** Insert the SmartKey tool into the small hole (next to the keyway) on the cylinder face, and push with force till it goes all the way in, then remove the SmartKey tool.

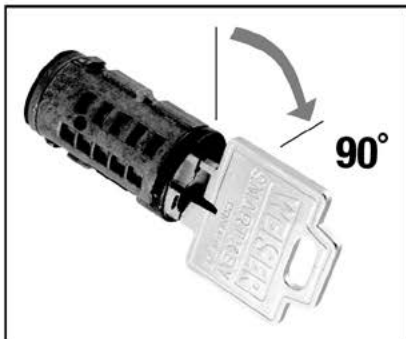

**B** Insert the key you want to learn in the plug, while being sure not to rotate the plug

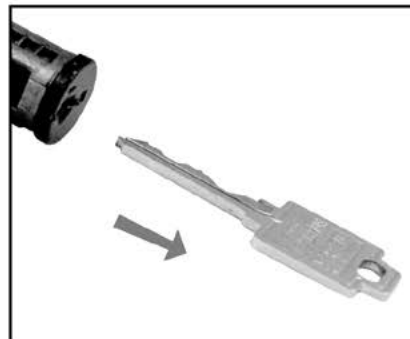

**C** Remove the plug from the reset cradle by gently pulling on the key.

3

**A** While holding the cylinder body stationary, rotate the key back to the home position.

**B** Remove the key.

**C** Reinstall cylinder in product

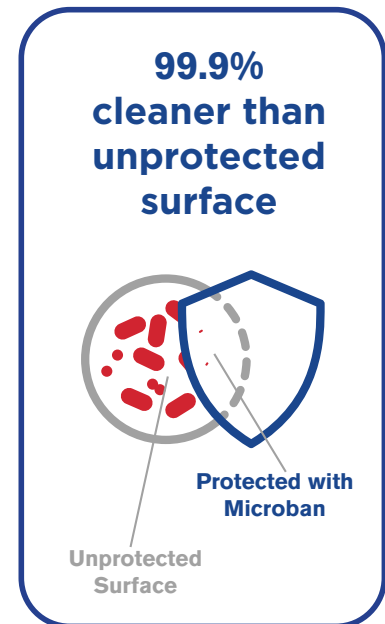

## Slow the Growth of Bacteria

Weiser® and Microban®, the global leader in built-in antimicrobial protection, have teamed up to improve the standard for door hardware. Weiser® offers antimicrobial protection on select products, inhibiting the growth of bacteria on frequently touched door hardware in the home.

## Benefits of Door Hardware with Microban® Technology

Bacteria can double every 20 minutes on unprotected surfaces, but door hardware with Microban protection works to continuously fight off microbes.

- Door hardware is 99.9% cleaner than knobs without Microban
- The antimicrobial coating last for the lifetime of the hardware finish, so you can worry less and feel more secure in your home.
- 24/7 Antimicrobial protection
- Microban protection is effective against a broad spectrum of bacteria

## Microban finish is available on select products.

Look for the Microban sticker:

## SPECIFICATIONS

## KEY CONTROL DEADBOLTS - GCD 9571

<b>Door Prep</b>	Cross Bore 2-1/8" Edge Bore 1" Latch Face 1" x 2-1/4".
<b>Door Thickness</b>	1-3/8" - 1-3/4"
<b>Cylinder</b>	2 SmartKey cylinders: 1 Standard SmartKey for users. 1 Secure new patented keyway for Key Control.
<b>Faceplate</b>	1" x 2-1/4"
<b>Strikes</b>	1-1/8" x 2-3/4"
<b>Bolt</b>	1" throw
<b>ANSI/BHMA</b>	A156.5 Grade 2
<b>ADA</b>	Interior turn piece meets 4.13.9 ADA requirements
<b>UL</b>	*Meets 3 hour fire rating for all UL functions when fronted latches used. Meets 20 minute with Square, Radius or Drive-In used. UL Ref# R10923

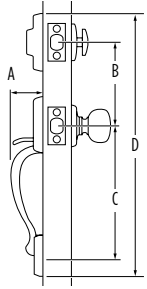

## DEADBOLTS - GD 9471, SSD 9471

<b>Door Prep</b>	Cross Bore 2-1/8" or 1-1/2" Edge Bore 1" Latch Face 1" x 2-1/4".
<b>Backset</b>	Adjustable to 2-3/8" or 2-3/4"
<b>Door Thickness</b>	1-3/8" - 1-3/4" doors standard 2-1/4" doors optional
<b>Cylinder</b>	SmartKey standard, see specific product for more WS and KW availability
<b>Faceplate</b>	1" x 2-1/4". Round corner, square corner and drive-in available in box
<b>Strikes</b>	1-1/8" x 2-3/4" Other options available
<b>Bolt</b>	1" throw. Steel.
<b>Door Handling</b>	Reversible for right or left-handed doors
<b>ANSI/BHMA</b>	A156.5 Grade 2
<b>ADA</b>	Interior turn piece meets 4.13.9 ADA requirements
<b>UL</b>	Fire rating, see specific product for availability

## POCKET DOOR LOCKS

<b>Door Prep</b>	2-1/8" Face Bore. 1" Edge Bore.
<b>Backset</b>	2-3/8"
<b>Door Thickness</b>	Adjustable for 1-3/8" or 1-3/4"
<b>Faceplate</b>	1" x 2-1/4" round corner. Steel. Accommodates flat and beveled doors.
<b>Strikes</b>	1-1/8" x 2-3/4" square corner with strike box and wood frame reinforcement. Steel. Privacy function only.
<b>Fasteners</b>	Standard flat or Phillips screws. #8 x 1/2" for latch, #8 x 1/2" for strike
<b>Door Handling</b>	Non-handed

**NOTES:**

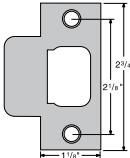

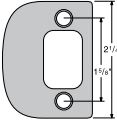

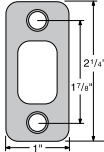

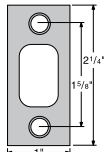

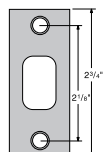

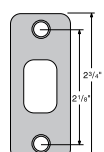

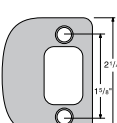

All plain and dead latches can be used with all Weiser knob and lever products (except metro levers excluding Halifax). Plain latches are used with passage and privacy functions. Deadlatches are used with entry functions. All fronts are 2-1/4" high.

For fire rating, UL latches must be used with UL listed locksets and applicable strikes.
